

Help us explore pathways
to diabetes management

Do You Have Type 2 Diabetes?

We are enrolling adult volunteers now

If you have type 2 diabetes, find out if you qualify for a clinical research study of an investigational oral diabetes medication. You may be eligible if you are:

- 18 – 80 years of age
 - Taking metformin only
- OR
- Taking metformin and one other oral diabetes medication

If eligible to participate, you will be seen by a study doctor and receive study-related testing and medication at no cost. If enrolled, you may be reimbursed for parking and travel expenses. For more information, please contact:

Name: Horizon Clinical Research
