

Do you have Type 2 Diabetes? Do you know someone who does?

We are conducting a clinical research study evaluating the safety and effectiveness of an investigational medication for the treatment of Type 2 diabetes. To qualify you must be:

- ✓ At least 18 years old
- ✓ Diagnosed with Type 2 diabetes
- ✓ Treating your diabetes with diet and exercise, but not taking diabetes medication

Study participation includes all study-related exams, lab evaluations, and study medication. Compensation for time and travel is provided for qualified participants.
